

WRONG DOERS HAVE BEEN NOTICED REGARDING  
THEIR LIABILITY AND ACCOUNTABILITY

To end this tyranny these individuals have been NOTICED regarding their continued crimes against humanity and their personal liability and accountability for the harm they have caused.

To all business owners and employees. It has become blatantly obvious that the present de facto govt and those under their control plan to allow big box retailers to remain open with the intention of destroying the backbone of any country, small business sector gone.

These corrupt groups in our society today have been proven by thousands of professionals are carrying out this treacherous, disgusting, despicable act hiding behind a virus that has not been isolated in a laboratory or discovered what it actually is, only that it has now been proven whatever it is, it is NO worse than a normal flue during flue season.

Also, history proves that forcing mask wearing and physical distancing is revealed as an evil and torturous act against humanity. Because humans are heard type being and definitely a social friendly species. If you look around you, you can see the businesses that have closed, families torn apart, suicide on the rise, yet no one is sick. Healthy people do not wear masks. If they are healthy what germs are they expelling, except the ones we all do to keep our immune system strong to ward off any disease. So for them to keep up these mandatory only suggestions that are still harming man and woman is wrong. Masks have also been proven to cause more harm than this alleged flue.

So from the Common Law court of the Sovereign Republic of British Columbia we bring you remedy to stop this atrocity, which will enable you to keep your business open, feed your family, remain free as intended. It is your choice here is the remedy; or the alternative, remain in slavery , communism, or be free unencumbered to do as you wish as long as you do no harm to any other man or woman.

We the people for the people of the Sovereign Republic of British Columbia
